

CALOUSTE GULBENKIAN
FOUNDATION

Association Internationale de Droit des Assurances Europe / International Insurance Law Association Europe

8th AIDA EUROPE CONFERENCE

Taking place at the Calouste Gulbenkian Foundation, Av. de Berna, 45A, 1067-001 Lisbon, Portugal

"Landfall of the Tech Storm"

The conference focuses mainly on the impact of technology upon the insurance industry, in particular on the changing client interaction, legal issues in distribution, claims and insurance services. A special focus of the conference will be on insurance distribution, incl. the new EU Insurance Distribution Directive implemented in 2018.

Further topics for the Lisbon Conference include Artificial Intelligence in insurance business; Autonomous vehicles and the EU law; Cyber Coverage Issues and a session addressing Hot-Topics on the legal and regulatory front, which the insurance industry currently faces.

The developments since the last AIDA Europe Conference in Warsaw and the matters debated there will be looked upon, notably InsurTech, and a progress review on the project of Principles of Reinsurance Contract Law (PRICL) will be presented.

3 & 4 October 2019 Lisbon, Portugal

A number of AIDA Working Parties have announced their presence in Lisbon, to address conference matching but also other specific topics.

The Scientific Committee of AIDA Europe has conducted a "Call for Papers on Insurance Distribution Directive – Promises and Reality", the results of which will be featuring in the conference.

AIDA Europe

AIDA Europe was established in 2007 as a non-profit organization with the aim of promoting, either directly or through its members, the development of insurance and related laws. It attempts to achieve this, mainly through:

- furtherance of the study and knowledge of international and national insurance law and of related matters;
- proposition of measures aiming at the harmonization of insurance law or the means for resolution of insurance disputes;
- facilitation of exchange of academic knowhow between its Members or any other European organization dealing with insurance related matters, similar to those of AIDA Europe;
- support of academic work in the field of insurance, e.g. through cooperation with universities or the sponsoring of academic research and papers.

AIDA Europe organizes conferences geared to the European geared jurisdictions, offering to all interested stakeholders a platform for an open and solution minded scientific and practice related dialogue on key developments in the area of insurance, reinsurance and related law also supporting its members in their respective endeavors. Conferences are open to all stakeholders attracting representatives from all areas such as the insurance sector, academia, private practice, regulatory authorities or the law making. AIDA Europe also maintains a keen focus on supporting the development of young academic talents by sponsoring academic work and by inviting young academics to its conferences.

AIDA Europe is a non-profit organization, pursuing altruistic goals and has its seat in Zurich / Switzerland. Its events are open to all interested parties.
