LADIES AND GENTLEMEN:

It is with great pleasure that we announce our US Chapter's upcoming seminar scheduled for the afternoon of December 5th, 2011 in Manhattan, organized by AIDA together with the leaders of WeiserMazars LLP, FTI Consulting and the U.S. based law firm, Dewey & Le Boeuf, LLP.

An overview offered by several important exponents of the new European solvency regulations and their implications for U.S. companies will be presented. This is among AIDA US seminars planned to address American insurers' and regulators' perspectives on this and other international developments.

We believe this is a strong first effort and encourage your support.

We look forward to your participation.

With kindest personal regards, we are,

Yours truly,
