7th AIDA EUROPE CONFERENCE

KOZMINSKI UNIVERSITY

“De-Mystifying InsurTech: a Legal and Regulatory View”

The Conference is organized by AIDA Europe in cooperation with Kozminski University and the AIDA Polish Chapter affiliated at Kozminski University.

The Conference will be, mainly, dedicated to InsurTech and the manifold legal and regulatory implications technology will have on the insurance sector. The Conference aims at sketching-out a stress test for traditional legal and regulatory concepts. What will be new for the industry, its stakeholders, particularly also for In-house Counsel, private practice lawyers, regulators and academia? The conference offers a range of plenary and breakout sessions with expert speakers and panellists, which you should not miss.

In addition to the core theme the Conference offers, as at past AIDA Europe Conferences, sessions dedicated to Hot Topics & Key Developments in the insurance field, as well as the traditional meetings of the AIDA Working Parties, covering topical subjects, which should gain your interest.

The Scientific Committee of AIDA Europe has conducted a Call for Papers on InsurTech related legal papers through a

Information on AIDA Europe

AIDA Europe was established in 2007 as a non-profit organization with the aim of promoting, either directly or through its members, the development of insurance and related law. It attempts to achieve this, mainly through:

- furtherance of the study and knowledge of international and national insurance law and of related matters as well as
- proposition of measures aiming at the harmonization of insurance law or the means for resolution of insurance disputes.
- facilitation of exchange of academic knowhow between its Members or any other European organization dealing with insurance related matters, similar to those of AIDA Europe
- support of academic work in the field of insurance, e.g. through cooperation with universities or the sponsoring of academic research and papers.

AIDA Europe organizes conferences geared to the European related jurisdictions, offering to all interested stakeholders a platform for an open and solution minded scientific and practice related dialogue on key developments in the area of insurance, reinsurance and related law also supporting its members in their respective endeavors. Conferences are open to all stakeholders attracting representatives from all areas such as the insurance sector, academia, private practice, regulatory authorities or the law making. AIDA Europe also maintains a keen focus on supporting the development of young academic talents by sponsoring academic work and by inviting young academics to its conferences.

AIDA Europe is a non-profit organization, pursuing altruistic goals and has its seat in Zurich / Switzerland. Its events are open to all interested parties.
